Good Thinking
The Foundations of Probability and Its Applications
Irving J. Good
This in-depth treatment of probability theory by a prominent British statistician explores Keynesian principles and surveys such topics as Bayesian rationality, corroboration, hypothesis testing, and mathematical tools for induction and simplicity. Additional subjects include causality and explanation, causal calculus, and an extensive contrast of probability and statistics. Reprint of the University of Minnesota Press, 1983 edition.

Eric Sloane’s America
Paintings in Oil
Michael Wigley
Foreword by Mimi Sloane

Eric Sloane’s evocative oils of America’s landscape and material culture shimmer with immense historical and nostalgic appeal. This original hardcover collection gathers nearly a hundred of his finest paintings, with subjects ranging from New England to the American Southwest. Selected and with an introduction by Michael Wigley, whose gallery in Santa Fe is a primary venue for Sloane’s artwork. Dover Original.

ABOUT THE ARTIST — ERIC SLOANE
The books of Eric Sloane celebrate the time-honored traditions of early America and remind us of the ties that forever bind us to them. A prolific artist, Sloane created nearly 15,000 paintings and drawings over his lifetime, many of which enhance his delightful books of bygone days.

Maidens, Monsters and Heroes
The Fantasy Illustrations of H. J. Ford
H. J. Ford
Selected and Edited by Jeff A. Menges

Best known for his illustrations from Andrew Lang’s series of “Colored” fairy books, H. J. Ford was also acclaimed for his historical renderings of scenes from the Middle Ages through the 18th century. This collection gathers his most compelling images from works of fact and fancy, including The Red Book of Animal Stories and The Book of Saints and Heroes. Half of the 120 images are printed in their original full-color format, which are extremely hard to find.

A Treasury of Poems for Children
M. G. Edgar
Illustrated by Willy Pogány

Featuring the works of William Blake, Robert Louis Stevenson, Louis Carroll, and others, this enchanting collection presents nearly 100 classic childhood poems illustrated by a master of the Art Nouveau style. With his fine eye for intricate detail and boundless enthusiasm for the fantastic, Willy Pogány perfectly captures the wide-eyed wonderment of such beloved favorites as “Twinkle, Twinkle, Little Star” and “A Visit from St. Nicholas.” Includes 8-page color insert. Reprint of the Macmillan, New York, 1923 edition.

Lyrics Pathetic & Humorous from A to Z
Edmund Dulac

A pleasure for children and adults alike, this humorous work is from one of the 20th century’s most influential illustrators. Each letter of the alphabet is given a whimsical limerick plus a related illustration of fanciful people and animals in beguiling situations. Printed on heavy stock, this facsimile of the original 1906 edition perfectly re-creates the subtlety of Dulac’s imagery. Reprint of the Frederick Warne & Co., London, 1906 edition.

The Story of Joan of Arc
Maurice Boutet de Monvel

Her story is the stuff of myths, but it happens to be true: 19-year-old Joan of Arc led armies into battle and helped liberate France. One of the most famous children’s books ever published, this elegant work recounts Joan’s wondrous transformation from peasant to military commander to martyr. Boutet de Monvel’s winsome illustrations earned him international fame — this handsome reproduction includes all of his original 45 plates in full color. Reprint of the Century Company, New York, 1912 edition.
Aesop's Fables
Illustrated by Arthur Rackham
Translated by V. S. Vernon Jones

The prodigiously talented Golden Age master of illustration lends his distinctive humor and romanticism to these enchanting and enduring morality tales. Boasting 13 full-color and 53 black-and-white illustrations — plus an illuminating Introduction by G. K. Chesterton — this keepsake treasury is one of the most magical Aesop editions ever published.
